In July 2012, ROBLOX released a list of their top 100 games with the most concurrent players at any one time. The list features a variety of games such as "Rage Place", "Create the Universe 2", and "Survival Games: Mine". The game with the highest number of concurrent players at the time was "Mineblox", which had over 10,000 players on it at once.

The American Federation of Television and Radio Artists (AFTRA) has demanded that Roblox includes their members. The union stated that they also want their actors to get compensation for their work. The union has also said that they have been talking with Roblox for more than a year before singling out the company for bad housekeeping by refusing to pay royalties and residuals while claiming to "be building careers".
