Two employees who worked on the HR department for Roblox, Abigail Sexton and Aaron Dixon, were eventually fired for allegedly not doing their jobs properly. They both accused David Baszucki of firing them for speaking out about the issues with the company's HR department.

The news has attracted mixed responses from users. Some believe it's an improvement since it's more reliable, and fixes most of the bugs that caused users to constantly lose their work. Others think that it is useless due to the fact that ROBLOX Studio randomly changes collision methods and there are no descriptions on how to remedy this problem. Some have even started questioning how Roblox handles the games they host as well as some of their policies towards adult players/contents, and other problems like spam bots.

It seems that there are many procedures to get free robux for kids. The most common would be to download an app like "Games of War" in order to "winning" robux. The particular article here is about how just because you can't download an app, doesn't mean you have to pay for them. It's easier than ever to be able to get free robux for your kids and this article will provide some helpful hints on how. You're welcome!

The community is toxic in many ways, Robloxian's have made characters with inappropriate content such as swearing in their usernames or wearing inappropriate clothing that make it look like they are roleplaying as an adult even though they shouldn't be. Although there are ROBLOX moderators, there should be more since some of them don't join Roblox or just don't care about some of the problems that some people have on Roblox.

Rated 5 out of 5 by Anonymous from The best game ever! ROBLOX is one of the greatest games I've ever played. It lets you make your own adventures with your friends or in single player mode! This game I'd give a 10/10 because you can build anything you want, and there are still many things to do. For example, if you're tired of building things, there are games to play on Roblox. You can be a police officer, a fire fighter, or even an architect! Roblox is a truly awesome game that needs to be experienced!
