Great by I'm horrible at this on 2013/01/27 01:34 This app is really fun and addictive, but it has a lot of adds and if anyone knows how to get rid of them or change the amount of them I would be very thankful. Also, I don't care if you have to pay for the in app purchases like some games do, but sometimes it's annoying to see an add when you're almost done with a puzzle.",

The developers of Coin Master have received several honors for their game. In 2006 they were awarded a "Design Star" from Microsoft as one of "10 innovative games to watch out for". In 2008 the developer was nominated for a Webby Award in the "Best Kids' Website" category.",

On February 19, 2018 it was announced that United Pixelworkers (UPI) would be developing a new version of Coin Master for iOS devices called Coin Master "Dig Deep".
