8. When people post videos on YT that are inappropriate, the video should be removed along with their account because it should not be encouraged. 9. Due to the fact that developers have to make games in order to get revenue from Roblox, they should not be limited in game size and filesize. 10. There needs to be a way for Robloxian's to give feedback regarding improvements as well as updates and bugs that they find within the game.

ROBLOX was the first mainstream online game that allowed players to make a profile, interact with others, earn virtual money and characters through gameplay, and even have fun by creating their own levels and games. ROBLOX is the first online game to have players create their own virtual characters that live out an entire world just like in their actual life. [113] ROBLOX is ranked 15th in the world among "Game World or App Market" websites according to Alexa stats. [114] ROBLOX is ranked 2nd in the "Top most visited websites" by Alexa stats list. [115]

ROBLOX is also one of the first websites to allow users to play multiplayer games with each other using video chat (most notably Skype). Over the course of the game, players can interact and communicate with each other through 'conversations'. ROBLOX also used Skype for video chat in many of their games. Some unofficial ports of ROBLOX that are based on Build include Mac OS X, Xbox 360, iOS and Raspberry Pi. The Raspberry Pi port allows users to use a Kinect sensor or USB webcam. Mac OS X includes ROBLOX support built into the client and includes limited support for input from keyboards and mice using DirectInput, as well as support for NVIDIA 3D Vision.

This is one of the best online generator tools that I have ever used for getting free robux on roblox. It has been tested by many players, so it has been deemed to be very safe and reliable. You do not need any experience or technical skills in order for this tool to work for you. All you need to do is to go through the steps and use the instructions that are provided for you.

In 2018, ROBLOX added a new feature called the Robux Exchange. The exchange allows players to trade their hard-earned coins for ROBUX and for certain items, which can be used to build games. To use the exchange, players must have at least 50 ROBUX in their account.
