On April 6, 2015, the company launched a virtual reality project called "ROBLOX VR". It allows users to play in the same virtual world and see each other's avatars. On March 22, 2017 ROBLOX released a new version of its app called Ava (ROBLOX's Mobile Application). See above section for more details.

It's important to note that ROBLOX has banned players for using the button in a false manner. If you receive a permanent ban from ROBLOX, your account will be deleted permanently. The only way to prove you are innocent of wrong-doing is to appeal the ban within 7 days of receiving it and bringing up evidence from the investigation of what actually occurred.

According to a report by "The Guardian", Roblox has been criticized for being a "digital playground" that involves more than 50% of their users under the age of 18. The report states that there are over 200 million players on Roblox who have access to weapons and themes that include sexual references and violence. They also said that Roblox emphasizes the idea of user privacy which can be seen in their games by having players invite other users via email or text messages.

These types of codes can be very useful for anyone that is using it because it can give them unlimited free robux. They can use this type of code to purchase all of the things that they want to have in different games. Since there are so many different types of things that they can have with these types of codes, they will not need to spend any real cash when they use a code like this one.

On October 4th, 2018, Roblox introduced a new game mode called "Elevate", which had players build futuristic skyscrapers in the sky. Players were able to earn money by selling their custom skyscrapers for Robux. It was soon discovered that many of these buildings were copies from the game "Survival Island", prompting ROBLOX to ban users who had copied these buildings.[79]
