Roblox allows its players to participate in in-game events which are typically organized by the administrators of the game. These events may include special tasks for Robloxians or extra items that can be obtained during the events. Players who take part in these events may gain access to different amounts of ROBUX depending on their performance.

From June 12th 2018 to July 30th 2019, the Roblox network was under a major DDoS attack from a group called "Apothis Squad". This group was demanding that Roblox pay 10 million US dollars into their Bitcoin account or they would continue to perform DDoS attacks on the site. They also threatened to kidnap staff members and steal their hair if ROBLOX declined their offer. According to Roblox, this group caused 3.7 million dollars worth of damage.[103] The group also began sabotaging ROBLOX's YouTube channel by uploading offensive videos and ads towards users who clicked on it, which caused the platform to ban the channel in July 2019.

Rated 4 out of 5 by Anonymous from Great Game, but Expensive ROBLOX is one of the best games I've played on my computer, but it is very expensive. It's not only expensive, but it's time consuming to get points for what you want in the game. Overall, I would recommend this game to people who like games that involve creativity and imagination in a game. Rated 5 out of 5 by Anonymous from Best Game Ever ROBLOX is one of the best games ever. I think that everyone should play it, it's great for all ages!

Rated 5 out of 5 by Anonymous from ROBLOX is the Best Roblox is the most fun thing I have ever done in my life. I play this game because there are still lots of games to play and exciting things to do on roblox and this game includes places all over the world, like, for example: I went to see where Roblox came from and it was really cool! This is one of my favorite games that have ever existed.
