Rated 5 out of 5 by Anonymous from Amazing but scary I absolutely love this game. There is so much to do like make clothes, build houses, and even things on ROBLOX Studio. After I started building my own games I decided to start playing them and they are so intense. But I love it there is lots of challenges.

On August 9, 2016, ROBLOX launched the first RoblEX game, called "RoblEX: The Lost Robots". A new currency was also introduced in this update called "RoblECX" (Robux in a different form). This was the first time that RoblECX were ever used. Before this update Robux were used on both games and non-games.

On November 11th 2016, ROBLOX added a feature called "ROBLOX Backpacks" to its website. Almost immediately after the release of this feature, a large amount of "spam" messages began to appear on social media platforms such as Twitter and Facebook. These occurred in the form of "spam links" that were posted by players who were seeking to make a profit. Roblox later modified its terms and conditions which resulted in all links being blocked from being posted until December 22nd, 2016.[76]

Rated 5 out of 5 by Anonymous from Creating games is awesome! I like playing ROBLOX because I can create my own game and put it on the store. It's really fun! Rated 4 out of 5 by Anonymous from Awesome game I like playing ROBUX for ROBLOX because: It helps me learn some things in my life. You can build anything you want in ROBLOX (houses, cars, etc.) You can play with friends and have fun You can play with your friends in the same room It has a lot of places on ROBLOX that you can go. For example: McDonald's

The community is toxic in many ways, Robloxian's have made characters with inappropriate content such as swearing in their usernames or wearing inappropriate clothing that make it look like they are roleplaying as an adult even though they shouldn't be. Although there are ROBLOX moderators, there should be more since some of them don't join Roblox or just don't care about some of the problems that some people have on Roblox.
