Rated 3 out of 5 by Anonymous from Neat Interesting game where you can build your own games. Not really too into it though to be honest. I'd suggest if you want something like this get Minecraft. Rated 5 out of 5 by Anonymous from I love roblox! Roblox is the best game ever! It has a lot of stuff to do, and there is always someone to play with.

Rated 4 out of 5 by Anonymous from Fun and Great For Fun! I've been playing Roblox for almost 11 years now. It's a great game for kids, teens, and adults. If you didn't get this game then you're missing out! It's so much fun to build things with your friends and play thousands of games.

In May 2018, it was reported that the company had over 300 million daily active players worldwide. This includes the users who are in moderation, which is approximately 95% of all players. In addition, based on their own estimates, they stated that over 50% of these players play Roblox daily.

In order to create a game on ROBLOX, one must first obtain a Builders Club membership (a free membership that is required). Upon purchasing this membership, players may then use the in-game tools provided by ROBLOX or the "Studio" to create games that are interactive like FPS, MMORPGs, and various other game types. The engine is not limited to 2D games like most flash games are; it can be utilized in the creation of 3D games too.

Roblox is a platform for developers to build and create their own games around. Unlike games made in other gaming platforms, Roblox has an online social element that allows users to play together, to communicate with their friends and build communities.
