ROBLOX announced they would be making videos, dubbed ROBLOX TV, in early 2017. They released three in total before shutting down all three channels to focus on "Builders Club". The first was a short-lived comedy show hosted by Janitormann and Aron. The second was a short-lived reality show hosted by JhonnyFive from the "Testing Grounds". The third was a sports talk show called "Game Time" in which users could discuss various topics pertaining to sports. In each of these shows, they would later add other people to the cast like WoodysGamertag in Game Time.

On August 28th, 2019, ROBLOX announced that they had implemented a new "Safe Chat" feature into their game catalog.[104] This feature would allow users to talk about anything they want while still ensuring that it is kid-friendly. This removes the previous chat restrictions that all users had and makes it so that younger users can play games without worrying about talking to strangers.

I wanted to create an article about Roblox because it is my favourite online game. I am also writing this blog with the intention to help my friends who are interested in trying out the game. Roblox is free to play and it is very active almost every day of the week; it's a great community as well. I wanted to create an article about how much of a good experience playing roblox has been for me and why I would recommend it to anyone wanting play a free game on their time off or even during school hours.

Roblox was revealed as the top website for malware infections in the U.S.[74] And as of 2015, it was accused of having more malware downloads than any other website in the world.[75]

19. The only real problem with roblox is that there is no way to make a person get out of the main menu like one can on minecraft. 20. I love Roblox! I am getting a new headset for my new laptop and I'm so excited! This is the only game that my parents are okay with me playing. They know how to work it and are able to keep an eye on my account. It's safe. 21. Funny
