Very fun but by Aaawwwwhhhhh on 2019/01/11 23:29 It is a very fun game and I was loving it until I had played for a few months, then I realized there wasn't much of a point. I feel like if you want this game to be as awesome as it could be you should add some more upgrades. If you play the game for a short period you will be stuck on the same level for a long time. I had been stuck on a certain level for like a month before I decided to play again and it caused me to lose all of my good placements that I had racked up. If you can add some more tokens or something that would make this game better. Also I don't get why all these people got mad because they didn't get an update that they wanted. Sometimes it takes months to put an update out so if you don't get it then there is nothing we can do about it but still let people know since people are really upset that they didn't get the update they wanted.",
