Roblox gives players the option to purchase membership for High School, Middle School and Elementary years. Players can upgrade their account to a VIP member which gives them time to play online when not connected to school wifi, and playing in moderation on weekends after school. Memberships cost between \$9.99 USD (\$10 Note: this price has increased since August 2018 but was not posted until September 2018) for elementary students, \$12.99 USD (\$13 Note: this price has increased since August 2018 but was not posted until September 2018) for middle school students and \$17.

On January 12th 2019 RoBoX Studios uploaded a video of them waving in front of cameras. The description of the video said "Moped Wave" and there was a picture of the thumbnail saying "Moped Wave". Fans thought it was an advertisement for one of potential future projects. A few days later they uploaded a second video called "RoBoX Studios". This time they were counting to 12 in front of cameras with different colored backgrounds. On January 22nd 2019, after over a month, they have uploaded another video titled "RōBux". The description teased about a possible RōBux 2, which is a mini game in ROBLOX which is cash oriented. On February 18th 2019, they have posted another video titled "RSK", which is short for ROBLOX Studio Kit. This video showed three new projects that were planned to be released with tips on how to create them. On February 19th 2019, they had uploaded yet another video titled "ROBUX". This was a video where it showed a projected page about ROBLOX and what people play. The description read "ROBLOX has more than 200 million users who love playing Roblox games! Which is why next week we will be releasing RSK - the new Roblox Studio kit! It will feature tons of cool features and tools you can use to make awesome 3d games. Keep an eye out for RSK next week. The post was then deleted, then the video was deleted, likely to stop rumors and speculation of a new studio kit.[48] On February 26th 2019, they released RSK to the public under build mode.[49]

Community: Roblox has an active community of players. A group of these players have joined together to create a group called ROBLOX Users as Leaders, or RUL. This group has made several YouTube videos on what they expect the future of ROBLOX to be. For example, there was a video on RO-NT (Roblox On New Technology) which was released in 2013. The main purpose of this is to improve ROBLOX so that it can match the technological advances that have been made since 2012, including 3D technology and mobile platforms, such as Android and iOS.

Some people also complain about the game being too confusing and requiring so much effort just to make 1 point or get Robux, even though it only takes about 3-6 hours of playing. They say that "Robloxian life" is actually a scam and they struggled to get it.

ROBLOX, from a mobile phone screenshot taken on 1 September 2013 Game Similarities and differences Grand Theft Auto Online This is another game similar with Roblox. It allows players to participate in various activities including robbing banks and carrying out heists, which is very similar to Roblox's Criminal series. [134] Cube World A game with many similarities with Roblox since it has blocky worlds that players can explore using their characters in which you can also build structures. [135] Elements This game is made to look a lot like Roblox. The main point of it is to destroy buildings to earn money and level up. [136] Bible Adventures This game looks just like Roblox, but with a few minor differences. [137]
