This game features eight "coin tokens" which represent fruits, vegetables, and animals. Players collect these coins during the gameplay to earn points in the game. Three of the coins are represented by card illustrations; these coins are more likely to be found in chest rather than buried in the ground as with coins with illustrations of humans and animals. There are currently five sets available; one set is for each type of coin (four sets for negative coins and three sets for positive coins) giving a total of twenty-eight characters."

The art-style is that of a retro style 8-bit game and the stages in the PC version are represented by a 2D top-down perspective where the player controls their character using a keyboard, mouse or touch pad. The mobile versions are more casual and use intuitive finger gestures instead of keys to move through gameplay. The mobile versions have 3D artwork rather than 2D sprites while also allowing the player to interact with their environment and other characters as they play. Each coin character has its own unique abilities while all coins have different stats in speed, attack strength, maximum health points and jump ability. The player can also collect coins and turn them into gems and the player can use these to buy new items.",

The second group of "card packs" was released on August 24, 2016. These card packs were formerly available through a special offer for 25% off the base price. These cards could be purchased in sets of a single character or eight characters. Each set includes six exclusive cards and two bonus cards that are usable in both games (PC and mobile). It is currently possible to collect all twelve free bonus cards if all four character packs are purchased individually after "Coins & Curses 2" is released on PC platforms.",

The fifth group of "card packs" was released on November 11, 2016. These card packs were formerly available through a special offer for 33% off the base price. The cards were originally released as an exclusive offer for United Pixelworkers' third anniversary.",
