On March 30, 2011, Moon Active announced on their blog that they would be releasing an iOS version of Coin Master that could be played both offline and online. On April 11, 2012, Moon Active released Coin Master for iOS which could be played either offline or online without the use of advertisements. This version of the game contains microtransactions which can be removed by paying \$1.99 for the ad-free version. The user review for Coin Master for iOS is composed of 3 out of 5 stars, with a user rating of 4 out of 5 stars (out of 1 vote).",

The developers of Coin Master have been awarded numerous awards and nominations for Coin Master and its development teams have also been recognized in a number of press releases. In July 2015 Moon Active announced that they had received financial assistance from the Jewish Federation of Greater Washington for the creation of "Coin Master". This was to aid the team in their work developing "Coin Master 2" but this was subsequently discontinued. The developer of Coin Master has revealed that he is a practicing Jew as well.",

Great by I'm horrible at this on 2013/01/27 01:34 This app is really fun and addictive, but it has a lot of adds and if anyone knows how to get rid of them or change the amount of them I would be very thankful. Also, I don't care if you have to pay for the in app purchases like some games do, but sometimes it's annoying to see an add when you're almost done with a puzzle.",

In 2011 Moon Active released Coin Master for iOS and Android as a free download. This version of the game is completely free and removes all in-game advertisements. However, it now requires a \$0.99 "micro transaction" in order to advance to the next level.",

The developer of Coin Master has revealed that he is working on a "new" mobile game which is not based on any of their previously announced titles. However, a few news outlets have reported that this game is actually "Coin Master 4". This version will also include brand new characters and gameplay elements as well as updated graphics and sound as the development team seeks to keep the spirit of the original games intact.",
