Rated 4 out of 5 by Anonymous from AWESOME!! I love ROBLOX SO MUCH!! It has all these cool games and places where you can buy stuff. It is a really fun game where you can make friends. Rated 4 out of 5 by Anonymous from Love it I've been playing this since 2006, still playing it today, I would recommend this to people 8-14. Some add ons are pricey but the game overall is great.

Open an existing account, or create a new one. Sign in with your username and password. Choose the "Cash" button in the top right corner of the game screen. Go to "Catalog", then choose "Purchase." Then, search for "Free Builder's Club" and choose that item with your Free Roblox Gift Card.

On May 23, 2013, ROBLOX launched an in-game currency known as "TIX" (short for Tickets). It was worth one cent each since its release up until March 2014 when it became worth ten cents. They were planned to be used to buy virtual items for the game "Dance Off", but this never happened. In 2016, ROBLOX announced that TIX would no longer be used in the near future and that other ways of earning and spending money would be found. The currency was officially retired on October 14, 2016; while any TIX that was previously owned by players became converted into an equal amount of Tickets. ROBLOX launched an option to buy TIX with real money on January 13, 2017.

Roblox is involved in a lawsuit concerning child safety on the Internet. On September 17, 2010, two brothers filed a lawsuit in the United States District Court, Southern District of California against Roblox Corporation and its founder and CEO David Baszucki. The suit alleged that the defendants failed to protect their nine- and thirteen-year-old sons from inappropriate content on Roblox that resulted in emotional distress. The suit also accuses the company of negligence for failure to monitor potentially harmful content and failure to institute parental monitoring measures. The case is known as "McDonald v. Roblox".

I personally think that the vast majority of Roblox games are for children. There is only a few games that are suitable for adults which were developed in recent years, but there are also a large number of games that have been around for years, and it is still very popular. I don't think there is anyone who has played this game since they were a child, so it's not like people will stop playing because they're unhappy with the newer games.
