Multiplayer is a lot of fun when you're in a group with friends and family. But it can also be expensive! In order to play multiplayer on Minecraft, you have to pay. This can get pricey unless you are playing on private servers. I would recommend playing with friends or family because that way it will be easier to ask them for help! It's also a lot more fun with friends than on your own.",

On June 22nd 2021, Facepunch announced that Rust would be shut down on July 14th 2021 due to risk of further financial hardship, citing that it was "no longer sustainable". With this announcement came the release of a demo version of the game with all current features intact. The game was transitioned from being under development to being a completely stand-alone product, allowing for players to download and play whatever version of the game they preferred.",
