As of March 2017, Roblox has over 64 million users with 30 million monthly active users. In January 2017 it was announced that females now comprise more than 36% of its demographic, up from just 26% in 2015. Roblox has also had a steady increase in overall player count since 2015. In February 2017, Roblox launched a redesign of its user interface, designed to make it easier for new players to learn about the game and play it. Over 200,000 people signed up during the first week of the rebrand.

ROBLOX TV and the Roblox Channel: On September 22nd, 2018, ROBLOX released an official channel for their website named "ROBLOX TV". The channel showcases many games that can be played on the website.

On May 8, 2015, Builder's Club was released for mobile devices. Users can build games on their mobile device and upload them to the catalog. Users can now play on their devices and make money by selling their games. This was the first time a platform has allowed mobile users to make money from their creations. Also in this year, ROBLOX announced that they were giving all accounts \$1 million of Robux for free (for a limited time).

Roblox offers a tremendous amount of games and features which, once you have played, can easily be overwhelming. If this is the case for you, keep it simple when creating your own roblox games. Choose a theme that is highly in demand right now or create something compatible with the standard ones. A simple game project can be as easy as tapping and holding three fingers on the screen to throw balls of fire at your opponents' faces. Do not worry if no one plays your game, since this will happen when the topic becomes old news among other players.

Roblox was launched as a free download with the name of ROBLOX Studio on April 15, 2005. In addition to the free version, Roblox also has a paid version, which was inspired by Roblox Studio's success. A Robux shop has been available since December 2007 (since December 2011 this can no longer be accessed unless you have purchased premium membership), for US\$4.95 (US\$5) per month or \$49.
