In 2012 the company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (Watsi). This was called Roblox Builders Club: Mutliplayer Tournament which raised over \$6,000 for charity water.

Trivia In 2014, ROBLOX created a game called "Tank Trouble" that was very similar to the popular game "Minecraft". This caused a lot of people to leave ROBLOX due to the lack of creativity and stealing other companies ideas. Later on, Minecraft and ROBLOX started exploring ways to work together which ended up in creating an official version of Minecraft on ROBLOX as well as adding multiple features from Minecraft into their site. The official version is called "Bloxburg" and the unofficial version is called "Roxburgh".

The company has a 4-star rating on Glassdoor with an overall rating of 2.5 and 13 reviews. This is the highest rated tech company based in the United States that employs over 1000 people. The reviews on Glassdoor were posted between 2014 and 2016 and highlight some of Roblox's positives such as competitive salary and possible career advancement, but also negative aspects such as mediocre work-life balance, poor management and lack of training in some departments. The overall rating is 2.5 stars, the lowest rating given on the site and 5% of all companies with a rating of 3 or higher.

On December 19, 2012, an interview with Roblox developer "UberHaxorNova" titled "Roblox: An Inside Look at the Top Builders" was posted to YouTube. In the interview, he discusses how he was able to build his first successful game within a few days of playing Roblox. He also discusses how Roblox is an important part of his life and that it has allowed him to make a living from doing something that he loves. The interview received over 480,000 views within the first few days after being uploaded onto YouTube. His channel now boasts over 1 million subscribers as of April 2018.

ROBLOX has banned thousands of accounts, usually for viral videos made by "trolls" or people who want to annoy other users/admins. Most of the bans these users receive are handed out by administrators but every once in a while a user will get banned for a "troll" video or similar reason. Some are also apparently banned because they made potentially offensive comments in the chatbox, not for any type of post or action that breaks the TOS.
