On July 26, 2018, ROBLOX warned its users about several scams on Roblox that are being advertised on YouTube. They were shown to have included links to pirated, unlicensed games, which are at risk of having their ROBLOX accounts banned due to the unauthorized distribution of their intellectual property.

Builders Club Premium is available to all Builders Club members. For the purposes of the ROBLOX Terms of Use (from which these terms are derived), premium features and paid-for items are considered one and the same. In order for a game developer to provide Builders Club Premium, an agreement with ROBLOX must be obtained from ROBLOX.

In 2006, David Baszucki, an MIT graduate and former robotics engineer, teamed up with co-founder Erik Cassel to create a game for the iPhone. After using the iPhone prototype to showcase the technology at Apple's Worldwide Developers Conference in 2008, they partnered with Roblox Corporation to develop a new platform for their ideas. In April 2009 they founded Roblox Corporation to create games and developer tools on Roblox. Both were inspired by Lego and video games.

14. The only way to get a game on Roblox or get updates onto a game is through requesting it by going to the developers profile on Roblox and requesting the game, as well as getting the updates, and other stuff that goes on within the platform. 15. When people talk about games that do not function properly or have glitches within them, they should not be punished or reported because it's not their fault that there are glitches within the game. 16. Instead of banning them, developers should be able to fix these glitches without getting banned. 17. People always say that Roblox is not a safe place for kids to go on but it's a safe place for kids to play and enjoy free games because all the games are fun and most of them don't have any inappropriate content. 18. I love Roblox so much! I will never ever stop using it...

Implementing technology such as Oculus Rift and PlayStation VR would allow the company to create new VR games. Again, ROBLOX has been criticized due to its unusual (less than the minimum) end user license agreement. Roblox has released a new version of its app called Ava (ROBLOX's Mobile Application). See above section for more details.
