ROBLOX has partnered with Twitch since November 2015 to promote each other.[46][47] ROBLOX allows Twitch users with a verified channel to have an emote based on their Twitch avatar that can be used in the game and vice versa. In August 2016, ROBLOX announced Twitch

Prime as one of the benefits that members would receive for being a subscriber. It was first available as a free trial. On January 30, 2017, ROBLOX added a special gift of virtual currency to Twitch Prime members every month. This virtual currency is obtainable by watching adverts on Twitch and logging in with an account that has been linked to ROBLOX.[48] On February 5, 2017, ROBLOX announced that they would be removing the link between Webkinz ID and Twitch Prime.[49]

Rated 5 out of 5 by Anonymous from All time favorite Roblox is the best game ever! I've been playing it since 2008 and have made hundreds of friends I still talk to today. It always has new updates, and the staff is pretty cool. I definitely recommend this game to all ages!

In early 2016, Roblox released an update that removed the "Customize" section from the User Interface. This introduced a new UI, which can be viewed here: Roblox Main Page. The new UI has many features that were previously built into the program such as a Store and a Help area.

Roblox claims that she was fired because they found out she was using her workplace computer to dig up personal information about her co-workers and this affected her job performance. However, she claims that the only reason they are saying this is because they found out about her blog post and didn't want the bad publicity. Roblox also provided an email that Chris sent to HR in May of 2017 regarding erratic hours. She says that it was just a single complaint and wasn't fired for it.
