11. There is a rule that allows inappropriate activity on Roblox to get banned. 12. There are too many glitches within the game such as the bug where the game does not close when you come out of a video, and it doesn't force you to close but it just stays on the screen, and even though you are out of the game, your character is still doing stuff such as talking about other people's friends and such. 13. The Free Robux promo codes for ROBLOX are offered by popular developers, companies and game developers or designers when they have an effective way of giving them value. These codes are simply provided as a way for them to make more money because they can get different types of profits. This will allow them to make more money for the different games that they have created and the ones that they will create in the future. They also want their codes to be used so many times.
