Good game but glitches by lokeylove on 2019/03/12 15:52 I love this game it's very entertaining and fun! However, there are a couple things that I would like to see changed. One being the chat in the game. Whenever I'm in it, all I hear is people asking each other for gifts or sending each other back-and-forth gifting requests which is very annoying. I also have to say that the bugs are pretty severe. For example, I had a chat with another player, which I was supposed to be able to skip, however it turned out that you just have to wait for her. Sometimes when the game glitches during your turn, a few opponents can attack you at the same time and you will lose all your troops while still being on "your" move. Basically, it's very annoying",

Too many ads by Pooptart on 2016/08/20 15:40 It's kind of annoying how often you have to watch ads. I mean, an ad after like every two or three levels is fine, but then they also have ads that pop up if you don't choose the right word..and those are frustrating as well. The game itself is addicting and fun, but I feel like it's hard to progress in the game without looking for answers online..",
