All developers can have a Builder's Club account. However, some games require payment in order to purchase the Builder's Club membership itself, or for Builders who want more than one account per Builder's Club.

On May 31st, 2017, ROBLOX announced that they would be adding the ability to purchase ROBLOX Points via PayPal, which will allow for them to offer virtual currency for in-game items and ROBUX purchases.[17] The announcement was made on the official blog.

On May 8, 2015, Builder's Club was released for mobile devices. Users can build games on their mobile device and upload them to the catalog. Users can now play on their devices and make money by selling their games. This was the first time a platform has allowed mobile users to make money from their creations. Also in this year, ROBLOX announced that they were giving all accounts \$1 million of Robux for free (for a limited time).

If you have been using the Free Robux promo codes for ROBLOX, then you will always be prepared to use them when they are ready. You just have to make sure that you do not share your identity with anyone else or else you will end up getting hacked and lose everything you already have. Just remember not to give your passwords out to other people even if it is someone who knows you or a family member. There are a lot of people who want to get unlimited robux in their account and they will do anything they can in order to get that done.
