Good for a few hours... by Tenderly18 on 2018/06/07 01:27 I have been playing this game for over 4 years now and I kind of got used to it. But now, it is starting to get annoying. The ads are way too long and I feel like they are just there to draw my attention and make money off of people that like this game. Also, sometimes you don't get the payout you think you do for your tickets or gems. There are some things they really need to work on because otherwise the app gets pretty boring after a while.",
