- The game is too expensive. I cringe when I see that a certain hat costs 2 million Robux. Robux are the currency used in Roblox, and I have no idea where to get them in game. But it's pretty obvious that you have to pay real money for them or use your parents' credit card to access the store. And if you do use your parents' credit card, then they'll try to find out why you were so interested in a child's game and they will most certainly look at the Roblox website or app, which will reveal that there are so many games with suggestive themes/language that it will make your eyes bleed (and your mom/dad's too).

Rated 5 out of 5 by Anonymous from So much fun I love this game so much! There is no fighting, just chatting with your friends online and there are no missions or quests to complete to play this game. It has no age limit either, so younger kids can join in.

In this day and age, there are many ways that you can buy free robux. For example, you could perform a search on the internet for "get free robux" and see what comes up. This will take a few minutes but it may be worth it, as you could find online posts that recommend certain websites or apps where you can get free robux. You may not be sure if the website is safe to use, but just type in "free robux reviews." If there are any reviews posted about a site or app, they should tell how effective it is at providing users with free robux. If you find an app or site that looks legitimate and safe to use, then you could start reading about it. The first thing you should do is read the terms of service, as this will tell you if there are any fees attached to using the online application. If there are no fees involved, then it might be worth giving the website a try.

When it comes to this premium feature, the player does not have to pay for membership in the Builder's Club (which is free) or spend money on Robux or Builders Club credits at any point during gameplay. All they have to do is purchase the premium feature and be in a Builders Club account.
