The company's Terms of Service forbids developers from using Roblox's data for marketing purposes including allowing developers to sell their own products on the platform. It also prohibits them from using Roblox's data for behavioral advertising such as ad marketing based on the age groups or ethnicity of an individual user. The report by CNBC states that this can be seen in their products where they use this data to serve ads on other sites that are owned by the company.

- The game is too expensive. I cringe when I see that a certain hat costs 2 million Robux. Robux are the currency used in Roblox, and I have no idea where to get them in game. But it's pretty obvious that you have to pay real money for them or use your parents' credit card to access the store. And if you do use your parents' credit card, then they'll try to find out why you were so interested in a child's game and they will most certainly look at the Roblox website or app, which will reveal that there are so many games with suggestive themes/language that it will make your eyes bleed (and your mom/dad's too).

On December 19, 2012, an interview with Roblox developer "UberHaxorNova" titled "Roblox: An Inside Look at the Top Builders" was posted to YouTube. In the interview, he discusses how he was able to build his first successful game within a few days of playing Roblox. He also discusses how Roblox is an important part of his life and that it has allowed him to make a living from doing something that he loves. The interview received over 480,000 views within the first few days after being uploaded onto YouTube. His channel now boasts over 1 million subscribers as of April 2018.

Once you get enough free robux, just go back to your game account and manage it and then you will be able to buy cool items or invest in some cool weapons as well.

You can always go to YouTube and search up something related to roblox or "free robux". All that needs to be done is to click on the first video that has a link encouraging you to get free Robux. You'll then be directed to a page offering you an advertisement reward if you click on it.
