In February 2014, the popular user "meepcity" was hacked by unknown users who had created a character as an avatar for the hacker group "Lizard Squad". The avatar's name was changed to "pedobear", an image widely associated with child pornography. Several other users' accounts were also compromised by the group's activities.

Rated 5 out of 5 by Anonymous from Super fun, but gets expensive Really fun game, and very realistic in-game items. However after a while, it can get pretty expensive. It is currently \$8.99 USD to purchase an additional character slot. Definitely worth it at first, but you will eventually outgrow the game if you don't have the money.

Roblox is a platform for developers to build and create their own games around. Unlike games made in other gaming platforms, Roblox has an online social element that allows users to play together, to communicate with their friends and build communities.

If you don't want to take this serious then stop reading now, but if you want to see what I'm talking about, continue reading. You might feel a little confused about what I'm trying to say but I'll explain it further below.

The game is not free of problems and some of them are still not being fixed. The profit issues that confront the company have been allocated to one person, Travis, who is given a large portion of the income. This is unfair as most players have less than \$5 in their account.
