One of the best things about Roblox is that it does not only have accessories which you can buy for your avatar, but it also gives players ways to earn free robux. There are many ways in which you can get free robux for your account and they are always changing. They also constantly update their website with new games and content so you will never get bored when using this site. You can play games that are similar to Minecraft and you can even create your own place. The best thing is that Roblox is free so you will not have to spend any money if you do not want to do so.

On November 1, 2015, Roblox was officially sued for copyright infringement by Joshua Moskowitz, also known as "Dr. J". The lawsuit was filed in Los Angeles Superior Court and details how parts of "The Maze Runner" were used to create a ROBLOX game called "The Maze." The lawsuit alleges that Dr. J is notifying every author use of his game engine to give them the opportunity to either take down their games or have a section added to his website.

Rated 5 out of 5 by Anonymous from Super fun, but gets expensive Really fun game, and very realistic in-game items. However after a while, it can get pretty expensive. It is currently \$8.99 USD to purchase an additional character slot. Definitely worth it at first, but you will eventually outgrow the game if you don't have the money.

Roblox gives players the option to purchase membership for High School, Middle School and Elementary years. Players can upgrade their account to a VIP member which gives them time to play online when not connected to school wifi, and playing in moderation on weekends after school. Memberships cost between \$9.99 USD (\$10 Note: this price has increased since August 2018 but was not posted until September 2018) for elementary students, \$12.99 USD (\$13 Note: this price has increased since August 2018 but was not posted until September 2018) for middle school students and \$17.

Users also have access to a vast selection of blocks in which they are able to build with. Some users may download free or paid objects from the Marketplace. Once bought, users are free to add new elements and edit them however they wish without paying anything else. Additionally, users have the option to buy premium blocks from the marketplace and be able to edit them more.
