In July 2016, ROBLOX claimed that after the introduction of the new games and improved networking system "We will be supporting many more platforms than before." They also had made the game better so they would offer it on more than Windows, Mac OS X (Snow Leopard and below), Linux (Ubuntu and below).

Rated 5 out of 5 by Anonymous from All time favorite Roblox is the best game ever! I've been playing it since 2008 and have made hundreds of friends I still talk to today. It always has new updates, and the staff is pretty cool. I definitely recommend this game to all ages!

Roblox is governed by a global moderation team, consisting of volunteers and employees. Moderators monitor Roblox for inappropriate content like violence, nudity, profanity and copyright infringement. Moderators have the ability to mute, ban, or delete users from a game. Players can also report other players for inappropriate behaviour. In addition, moderators are expected to help players in need with moderation and issue resolution.

Overall I think that the app is pretty great and there are so many possibilities waiting to be done in the future. I hope this review was helpful to you and that you have gotten some information from this novel review. If your mobile is upside down click on the top right corner of your phone then on settings and then uncheck auto rotate.

Most games offer a buy page or at least some sort of store where you can buy Robux in exchange for real money. But there are numerous other ways to earn free robux that I will be showing how you can do them!
