They're clearly taking steps in this direction by creating special perks, abilities, etcetera for those who have purchased robux from them. They're also creating clothing items which are being sold for outrageous prices with the sole purpose of being able to differentiate those who pay from those who don't in their game. This is wrong. It's unethical and it should not be tolerated.

Rated 5 out of 5 by Anonymous from So much fun I love this game so much! There is no fighting, just chatting with your friends online and there are no missions or quests to complete to play this game. It has no age limit either, so younger kids can join in.

The free robux script is a tool designed to assist the Facebook user with automation. The free robux script allows people to automate their daily routine of posting on Facebook. The free robux script works by automating an individual's routine tasks, which are used for commenting, rating posts, and sharing news articles among others

On September 22nd, 2012, a head developer from the website Games Done Quick sent a cease and desist letter to Roblox because they were using code that he had created without permission. This is one of the few situations where ROBLOX has deleted all of its assets to avoid legal issues.

In June 2014, ROBLOX introduced their simplified privacy policy and terms of service. Under this policy, all private chats were deleted upon logging out.[4] However, any game-related chats will remain in-game. Users are able to delete their own game-related chats, but deleting a chat does not automatically delete the messages or comments within that chat.
