Do you use the 100Robux app? Have you found it to be a useful tool for earning free robux? Have you used other programs or apps that can get you free robux? If so, I would love to hear about them in the comments section.

On May 9th, 2015 ROBLOX changed their logo again which became more square and flat then their old one. Their previous version was rounded more than their current version. On November 5th, 2016, ROBLOX released yet another logo which is now a modified version of the 2010 logo. The new logo has a more pixelated layout and a different shade of blue.

Some of the games on ROBLOX display ads on the top of their players' screen during gameplay. The player is able to skip these ads after 5 seconds, but if they do not and instead wait to see them out, then they will receive a small amount of ROBUX. In addition, members receive 30% extra revenue from games with ads placed above them.

Roblox Suggestions (Steam Community) - This is a helpful site where you can submit suggestions to the Roblox administrators. If there's anything you'd like to see changed or updated, this is where you should post your suggestion. People are constantly submitting suggestions on this page and it can be easy to miss. You'll also receive notifications if anyone liked or commented on your suggestion, so it's easy to know if people were interested in what you posted.
