Roblox is a game where you can play games with friends that other players have created. Overall, I think Roblox is a great game, but like every other game, it probably would need some changes or parts that should be looked at more. This is for Roblox in general, because I know you guys don't have much control over the games individually.

This wider range of interaction is supported by more vehicle types, which was inevitable for a sequel, including dirt bikes which should be great fun for urban exploration. Melee combat is updated too with customizable weapons, though early footage of Marcus using a billiard ball attached to a rope is a little silly.
