In March 2018 the developers of Coin Master announced plans to expand upon "Coin Master" and other games they had previously worked on. The goal is to develop a wide range of games, focusing on Card-based RPGs, that will be released across a variety of platforms in both Android and iOS formats. They also confirm that they are working on "Coin Master 3", which will be based on the IP for Disney's upcoming animated film "Wreck it Ralph 2".

On February 20, 2017 an update regarding the Cardboard Mode gameplay was posted on Twitter by Moon Active (the developers of Coin Master). The post stated that the Cardboard Mode had been updated to fix some bugs, specifically when using a device that is not flat and can have a different screen size. This post can be viewed [here](#).

The developer of Coin Master has revealed that he is currently developing a version of their title for release on the Xbox console family and expects it to be released by 2019. This version will also include brand new characters and gameplay elements as well as updated graphics and sound as the development team seeks to keep the spirit of the original games intact.

Kingdom clash, game is awesome but by awesome gamer on 2017/11/07 03:05 I am playing this game every day. It's a really fun game to play. There are some problems with it. For example the in-game chat, there are too many ads and that's not good because my friends and I play the game and one of our friends said that there were over 30 ads in one day. Never minding that other friend said she got payed 5 dollars for a survey. I mean, come on. The price of gems are so high. I want to buy a lot of stuff but the prices are expensive. Good luck making this game better!",

Users have criticized Coin Master for its monotony and reliance on making users pay real money to progress in the game. A user review on iTunes complains that it is "just another collect-a-thon with a coin motif". The developer of Coin Master has countered this criticism by stating that they do not believe in "pay to win" video games and hope to provide their users with a fun and engaging experience.
