Nice game by leonard1101 on 2017/12/27 22:34 I just got this game and even though I have not made much progress, it is fun to play. I like playing it at night because when you win it can be exciting. You can make all kinds of things happen with the farm and you will get better as long as you keep playing. Overall I would give it a five star rating but there are some things that should be changed one is that I would like it if we could buy more energy to play longer or if the maps were bigger so we could build more things in them. But besides that this game is fun and entertaining. I would recommend this game to anyone that likes farming or strategy games!",

Loved this game! by s_only_me on 2018/03/31 15:13 This app was really fun and addictive. I've downloaded many apps but this was my favorite!! It's like a mini version of scrabble or tetris that is easy to finish, so I wasn't always too frustrated when I couldn't get a word right or it didn't fit in the puzzle correctly. I really liked the fact that I could earn coins and buy different game modes and backgrounds. I would definitely recommend this app ☐ ☒ ☐",

The first 1000 people who pre-ordered the original "Coins & Curses" from United Pixelworkers received special recognition in-game within "Coins & Curses 2". Coins & Curses 2 is currently available on mobile applications and can be played directly in any compatible browser or downloaded through an app for PC/Mac devices and tablets. The game is slated for release on Steam as well as the upcoming Nintendo Switch console sometime in 2019.",

Great App by Jack'sMommy on 2013/10/27 20:09 I love playing this game. The only problem is that sometimes the time runs out before I get a chance to choose all the words I can find. Maybe you could add a more relaxed mode where you don't have to worry about time, just play until you've found all the words in the puzzle. Other than that, it's a great game!",
