Minecraft Server – The Minecraft Server is a great place to play with friends or make new ones. This allows you to either start a game from scratch or join an existing one. The Minecraft Server can be different depending on what kind of world you are creating and what features are implemented into it. If you want to make your own private server, please read our article on how to make your own minecraft server here. However, if you want to join an existing one then you should click join my server at the bottom of this page and enter their IP address into the field provided. You will also need to provide the world into which you would like to join. Finally, you will also need to provide your Minecraft username if you don't already have one. The server hosting company will be able to help you with any questions or concerns that you have. You can ask for their help easily because they are there 24/7 by using Discord.",

How to Download and Install Minecraft Version 1.4 STEP 1 Download the Minecraft version 1.4 files here (for Mac). STEP 2 Download the Minecraft version 1.4 worlds generator here (optional). STEP 3 Download a Winrar alternative called 7zip and use it to extract the downloaded file.. STEP 4 Locate the download folder and copy over the contents of it into your Minecraft game folder located at C:\Users\YOUR_USERNAME_HERE\AppData\Roaming\.minecraft\ STEP 5 Restart your computer. Your Minecraft version 1.4 world should now be ready to play! To confirm, in the game settings, you should see the 'New world' button that reads "1.4". If you don't see this button, then something has not gone right - make sure you install the Minecraft worlds generator before trying again! Enjoy!",

Another really popular mod has to be Minecraft SMP4 Mod which makes all mobs more dangerous than they were before. This makes the game more challenging and a lot more fun as well as a way to add some different life to the game. The mobs will have more health, attack, damage, and range so that it is actually possible for them to take you down. This mod is great if you want an even harder experience than when you are playing by yourself. More Info Download: Minecraft SMP4 Mod OpenBlocks Intelligent In-Game Console",

Give your game an additional upgrade by downloading this online hack tool. You will be able to use this Minecraft cheat tool to modify some of the settings of your game such as how many "lives" you have or how much XP you are given. This will make your experience more interesting and enjoyable one. Feel free to contact us if you have any questions about it.",
