"Rust" takes place in a post-apocalyptic world where climate change has reportedly caused most animals (including humans) to become extinct. A player begins their journey by choosing to build themselves a shelter or start mining and gather resources as soon as possible for crafting valuable items which can be sold for money. There are currently a total of five different servers available for players to choose to play on. Each of these server types vary in difficulty, with playable game modes including deathmatch and conquest mode.",
