Great idea but... by Crhbxxra on 2021/06/20 20:56 I like this game but when you are done with your board there is no reason to go back to it and play again. This makes it really difficult to get more coins. The game should have a reward system that comes in every few days or something. I feel like I am just wasting time playing the same puzzles over and over without reward."

Great by I'm horrible at this on 2021/01/27 01:34 This app is really fun and addictive, but it has a lot of adds and if anyone knows how to get rid of them or change the amount of them I would be very thankful. Also, I don't care if you have to pay for the in app purchases like some games do, but sometimes it's annoying to see an add when you're almost done with a puzzle."

Coins by CeceCeceCece on 2021/12/13 16:27 I love this game and have been playing it for years. I have reached a level where there is no more available to play and therefore am unable to make any upgrades for my games such as bakeries. It would be great if some of the higher levels were made available as in the past. It really is frustrating having to keep doing the same things over and over and over and over again without ever reaching new levels or being able to use anything you have won towards buying coins etc. Please let us know when new levels are available. I, for one, am ready to play them. Thank you"
