On December 20, 2016, a 12-year-old girl in Las Vegas named Arielle De La Rosa was banned from Roblox for what she believed was a "harassment campaign". She had created a character named Emily Roe that she used to bully another player online. The bullying campaign went on for over a year until it came to her parents' attention and they contacted Roblox about it. The harassment campaign violated the Child Online Privacy Protection Act (COPPA). Her parents encouraged her to create a character named "Emily Roe" and they hoped that this would help her get unbanned from Roblox.

Most Roblox games are made with the 3DTotal modeler because most of ROBLOX's games use 3D models rather than textured 2D ones. Paint is also a popular option for creating objects and UI elements due to its simplicity.

On December 20th, 2018, ROBLOX announced that they would be adding system tokens to enable their users to "pre-order" an item before it is put on sale. This way users can give feedback and ROBLOX could make changes if necessary.[26]. In late 2011 when the game was seemingly more popular than ever, numerous reports were made about a player called "unikraken," as well as his group of friends he allowed in his places. This user was not banned from the site for a long time, which attracted hordes of people to his server. The servers would become infested with bots, cheats, hackers and other fraudulent activities that it slowed the game for everyone. These servers have since been taken down and ROBLOX has removed as much of these malicious players' information as they could.[27]

On April 24, 2013 ROBLOX announced that Builders Club would now cost 5 USD per month. As of 2017, Builders Club is no longer offered.

On October 10, 2013 it was announced that you could now make game passes and sell them in the catalog for ROBUX or BC (Builders Concession). This includes some advantages over Free Mode such as being able to add a game trailer video, change the description of the game and enable the Flashlight on other players' devices. New users will begin with 100 ROBUX which is \$1 USD when they sign up for a new account. However, any user may donate any amount of ROBUX to get more in return.
