In 2010, they added an in-game browser which allows players to purchase resources with Robux from other players (mostly games). In 2014, they changed their website to a Flash-based platform. On November 11th of that year, the company finally launched their mobile app for iOS and Android devices.

Rated 5 out of 5 by Anonymous from I love roblox! This game is awesome! It has a lot of cool things to do, you can get characters, build houses in creative, play games in the arcade. There are a lot of things to do in this game. I think you should download it now!! :)

It's possible to use Roblox as a peephole into other people's accounts - this can be done by using third-party software like PeepHole to install backdoor with root privileges for the account. Because it has such wide availability on each device, it is an easy way for hackers to compromise multiple devices in one go. It was reported that 2-3 billion public profiles were compromised in Brazil alone in June 2018 and April 2018!
