ROBLOX has been criticised for not allowing users to report other users who are abusing others or who are being abusive in their games. There have been a number of times where users were able to exploit this and harass other users without consequence. This was especially common on the server "The Plaza", where certain accounts were able to retaliate against other players with no restrictions.

The reasons why you can get free robux is because some games do not charge a fee to play with them. They also do not include any in-app purchases that try to collect the user's money for no reason. Some gamers also leave reviews and recommendations on websites and apps where they give it a try. These types of websites are useful to new gamers who have never tried the free robux option before. The number of people trying these different options that provide users with free robux will eventually increase, which makes it harder for users who are in search of free robux to get it. You can find more information about how to get free Roblox by reading this article.

Rated 4 out of 5 by Anonymous from fun! I like roblox because you can be what you want to be! choose from many different jobs, sheriff, doctor, or president. I love this game! Rated 4 out of 5 by Anonymous from It's a fun game I would rate the game a 5 but there are way too many ads!!! Rated 4 out of 5 by Anonymous from Awesome!! You should get this app!! It's cool because you can make your own games with other people on it.

Rated 5 out of 5 by Anonymous from Charming Roblox is so charming, even though I am 11 years old I still love this game. My sister is 8 years old, and she also loves this game. She plays roblox more than me. We always play it together, and we sometimes even make a little brother character named Blox. Every night we would ask our mom if we could play roblox longer, because we didn't want to stop. I love the update where when you or your friends spell a word, something pops up in the middle of the screen to tell you the number of letters in that word. The only thing I think is bad about this game is that you have to have headphones on if you want to move around, and since I usually play with headphones in it makes it harder for every one else to hear what my sister is saying (but they can still hear her). I love this game so much. I would definitely recommend it to my friends.

The lawsuit alleged that Roblox had an HR department that was unequipped to deal with discrimination and harassment claims, falsely stated employees' work hours to avoid providing overtime pay, and broke state laws regarding how long time employees must be given notice before being laid off.
