Roblox has received a mix of reviews. Many reviews are negative, saying that Roblox is not appropriate for children, as it contains an abundance of violence and inappropriate language. Some parents have raised concerns that Roblox may be a potential platform for sexual predators to target children.

Some of the games on ROBLOX display ads on the top of their players' screen during gameplay. The player is able to skip these ads after 5 seconds, but if they do not and instead wait to see them out, then they will receive a small amount of ROBUX. In addition, members receive 30% extra revenue from games with ads placed above them.

There are also promo codes which require that you exchange them for another game or a limited time. These promo codes are specialized and can be used on a certain place or game. There are also promotional codes which work in limited time. If you do not use these within the time limit, then they cannot be used anymore.

These types of codes can be very useful for anyone that is using it because it can give them unlimited free robux. They can use this type of code to purchase all of the things that they want to have in different games. Since there are so many different types of things that they can have with these types of codes, they will not need to spend any real cash when they use a code like this one.

On February 4th 2019, ROBLOX released some updates for their Studio 2.1. They stated that they would be making many fixes on their website to improve the experience and to make it more stable and bug-free.[95] On February 11th 2019, ROBLOX released "Studio 2.2" which was a major update which contained bug fixes and minor improvements. On February 12th 2019, ROBLOX released "Studio 2.3" which was another smaller update containing bug fixes and minor improvements.[96]
