Addictive!!! by Cami914 on 2015/03/29 17:33 This is by far my favorite game. It's so fun and addictive! It would be even better if you could turn off the adds. I just love playing this game, it's never a dull moment and you always have something to do! If you like word puzzles, word searches or just want to have fun, I would highly recommend this app!! I hope the developers add a reward system for opening the app every day as well!",

I really liked the fact that I could earn coins and buy different game modes and backgrounds. I would definitely recommend this app ☐ ☒ ☐",

In May 2018 Moon Active announced that they had signed an agreement with Disney to expand upon Coin Master through multiple video game projects including a new mobile title, which was announced to be released as "Coin Master 2: Disney's Wreck It Ralph".
