Roblox has received a mix of reviews. Many reviews are negative, saying that Roblox is not appropriate for children, as it contains an abundance of violence and inappropriate language. Some parents have raised concerns that Roblox may be a potential platform for sexual predators to target children.

I really like Roblox because I get to make friends with other users on the Internet that are my age and play games with me. Another thing I like about it is that you can play different games and see which ones you like, so it's very fun to me. I also think that the game has helped me develop a lot of social skills because you can talk to your friends using voice chat or text chat. You can tell them how you're feeling, what's wrong, etc. It's a game where there are a lot of different people from all around the world and they all have their own story. Another reason why I love the game is that you can really make new friends and you can play with them offline.

Most games offer a buy page or at least some sort of store where you can buy Robux in exchange for real money. But there are numerous other ways to earn free robux that I will be showing how you can do them!

Roblox has been criticized for allowing children to have weapons in their games and for hosting violent games with weapons such as guns and knives. In 2018, the company announced that they would be implementing an age verification system for their games. As a result, on September 19, 2018, Roblox was one of the first services to implement this new feature.

Since August 22nd 2016, ROBLOX has started giving out special items with its gifts based on user's activity on the site. The gift's creator is put in charge of the user's activity and if they are lucky, they can get the special item that the user has been awarded. Since August 22nd, 2016, ROBLOX has given out a special hat for every new user. Every day until September 12th 2016, a new "secret" item was given out every day. On December 11th 2017, ROBLOX stopped giving out secret items at midnight (UTC+8). From December 11th to December 25th 2017, ROBLOX gave out a special item with 30 days of free VIP membership to all users who had signed up for Roblox Prime on their account in the previous year.
