The purpose of this update was to improve the player's experience of ROBLOX's website and also earn more revenue for ROBLOX by making users spend more time on their website (thus charging users extra money). The biggest change in this update was the live chat feature, which allows players to communicate with other players while playing and has recently been updated to be implemented directly into every game on the site.

On July 31st, 2019 ROBLOX released another version update for Studio 2.1 (known as "Studio 2.1.1") which fixed a lot of major glitches and bugs that were present in previous versions of Studio and also included a better way for players to customize their own physics settings.

Rated 5 out of 5 by Anonymous from It is very fun! I love this game and will forever. I have a lot of friends that play ROBLOX so we play ROBLOX together. But we also make our own games in ROBLOX STUDIO so me and my friends can play them together to see who wins! Other than that, you just have fun on ROBLOX and get to know people a little bit better. I really love it! I think you should try it out! You can make a game on ROBLOX STUDIO which is super fun.

Roblox has been criticized by parents for issues such as allowing players to have relationships with other users through the game, and allowing players to (unsuspecting) "friend" hackers. Other criticisms include consuming large amounts of bandwidth, and not being child-friendly. The site has been removed from school computers in order to protect children.

There are a lot of ways to get Robux without actually doing anything. Here are some of the ways you can do so. 1. Trade other players for robux in the Roblox economy. 2. Extract robux from your account in the Roblox game itself. 3. Search for websites that offer free Robux or offers codes to download them. 4. Use our guide on how to get hackers and crackers to store money on your computer, Bitcoin wallet, or use their internet services such as VPNs or proxy server. 5. Purchase them through an online marketplace. 6. It is possible that if you bought games in the store, you would get robux as a promo. 7. It is also possible that if you subscribe to some games' channels on YouTube, they give you free robux. 8. Try and beat high scores so that developers share some money for free. 9. Submit a new game and hope to be featured by Roblox itself because the developers said so.
