The second group of "card packs" was released on August 24, 2016. These card packs were formerly available through a special offer for 25% off the base price. These cards could be purchased in sets of a single character or eight characters. Each set includes six exclusive cards and two bonus cards that are usable in both games (PC and mobile). It is currently possible to collect all twelve free bonus cards if all four character packs are purchased individually after "Coins & Curses 2" is released on PC platforms.",

In August 2016 Moon Active announced that they had signed an agreement with American Apparel to create a mobile game based on their popular clothing brand, Beanie Babies. The game is titled "Beanie Babies World Tour" and will be released in 2018. The game was reported to be available for the Apple App Store in February 2018.",

In 2011 Moon Active released Coin Master for iOS and Android as a free download. This version of the game is completely free and removes all in-game advertisements. However, it now requires a \$0.99 "micro transaction" in order to advance to the next level",

"Coin Master" won an Honorable Mention from the 2015 Indie Royale Awards for "Best Card-Based Game". As "Coins & Curses" received mostly positive reviews, Mike Miller announced in September 2016 that a sequel to Coin Master was being developed, titled "Coins & Curses 2". It was released on iOS and Android on December 8, 2016 with some of the original developers from Coin Master returning to work on the game.",

Raiding by jdjejbdndjdkd on 2018/03/28 18:34 Ok so I love the game but I was playing in the classroom and I got attacked by someone else while I was playing it. And I lost all of my troops along with half of my castle. I didn't make it through the game to see if my troops came back but it was just devastating. If you can make the game a little more fair like your secret messages and if there is a new army system that is way more fair. And if you do not want people to attack while you are playing. Then maybe put an option where we can play one by one in our own kingdoms or have a leader board or something like that? I really love the game but I think some stuff needs to be changed. Thanks if you can take into consideration.",
