In September 2016 Moon Active announced that they had signed an agreement with Warner Bros Entertainment to create a mobile game based on their popular animated film, Wreck it Ralph 2. The game is titled "Coin Master 3: Wreck It Ralph" and was designed by Moon Active in conjunction with the main production studio behind the film, Walt Disney Animation Studios. The levels of this version are based on locations from the movie including Litwak's Arcade, Sugar Rush and others. The game is expected to be released for Android devices in 2017.",

On August 1, 2016 the game was removed from the Apple App Store. The game's developer said that "Coin Master" was being re-released on Apple devices in 2017 but there has been no further mention of this from Moon Active as of November 2018.",

On November 1, 2016 two "Coin Master" players (Andrew Peebles and Javviell Evans) both won packs from a charity raffle held via United Pixelworkers' official Facebook page. The raffle was for the Xbox One Collector's Edition of "The Elder Scrolls V: Skyrim" that included the "Coin Master" card HORSEMAN in its set.",

The art-style is that of a retro style 8-bit game and the stages in the PC version are represented by a 2D top-down perspective where the player controls their character using a keyboard, mouse or touch pad. The mobile versions are more casual and use intuitive finger gestures instead of keys to move through gameplay. The mobile versions have 3D artwork rather than 2D sprites while also allowing the player to interact with their environment and other characters as they play. Each coin character has its own unique abilities while all coins have different stats in speed, attack strength, maximum health points and jump ability. The player can also collect coins and turn them into gems and the player can use these to buy new items.",

Noooooo by Binkybunnykitty1234 on 2017/11/02 15:06 There is wayyyy too many ads in this game. It is so frustrating. I lose my lives because of all the ads. I spend money to get better equipment and try to get more lives but then the app glitches and logs me out. Then I am stuck with only a couple of lives left. Then when I go back on the app, it deletes half of my stuff that I worked hard to get, like levels that took me hours and days to complete. I would not recommend this game to anyone.",
