Rated 5 out of 5 by Anonymous from Super fun, but gets expensive Really fun game, and very realistic in-game items. However after a while, it can get pretty expensive. It is currently \$8.99 USD to purchase an additional character slot. Definitely worth it at first, but you will eventually outgrow the game if you don't have the money.

In December 2016, Roblox changed its website design again.[64] This can be viewed here: Roblox Main Page. An official subreddit was created in January 2012 by user pb\_bacon.[65] It has since grown to have over 3,000 subscribers (as of May 2018) and 338 pages (as of May 2018).

ROBLOX has been accused of copyright infringement multiple times by numerous people, most notably after the company decided to include music of band Crystal Castles in their popular game The Longest Day.

On May 21, 2010, ROBLOX launched its second virtual item, the Accessory Shop. This shop is available only to ROBLOX VIP members and is only accessible by those with a valid VIP membership code. The Accessory Shop was later renamed to the Vault in 2011 before completely changing its name to the Catalog in 2016 combined with the construction of the Warehouse Store. It was renamed again on December 20, 2018 as ROBLOX's new virtual store where you can get things like clothing and accessories for your Avatar with other items like hats and shirts which will be available to other players at the same time for legit ways such as purchase or win from contests or similar events.

Rated 5 out of 5 by Anonymous from The Best This game is amazing, there are so many games to do and you can create your own things on ROBLOX Studio which is the best place to make an awesome computer game which has a lot to do like build houses or build weapons or play games with friends. I love this game and I recommend it to anyone who loves games! Rated 4 out of 5 by Anonymous from The best online game! I've played Roblox for a long time now. It's a unique experience of its own, and it's the best online game for anyone. I love this game! :)
