On September 30th, 2018, ROBLOX released a "make your own toy" simulator called "Work at a Pizza Place". It proved very controversial as many users perceived it to be a lazy game and was rushed out without being finished. There were also many players complaining about how they could make money by selling pizza hats and shirts. However, this was only intended for people who would want to work at ROBLOX pizza.

Rated 5 out of 5 by Anonymous from ROBLOX is the Best Roblox is the most fun thing I have ever done in my life. I play this game because there are still lots of games to play and exciting things to do on roblox and this game includes places all over the world, like, for example: I went to see where Roblox came from and it was really cool! This is one of my favorite games that have ever existed.

On December 23, 2017 (12:00 PM), ROBLOX released a new website design. The new design changes the way that how a user views a forum to have more details to see what is being posted on certain forums. There are also many improvements such as major revamp and update to the website's code. There are many game developers operating within ROBLOX. Below is a list of them, arranged alphabetically by last name: The most popular game on ROBLOX was Roblox High School, which had over 3.3 million plays in 2011, and 1.9 million in 2012 by September 2012.

A group of Roblox players petitioned against the aforementioned avatar update for over two years before it was actually implemented. The change, in which the user could add or remove tattoos to their avatar, would allow them to earn more money as these tattoos could be sold to other players. Since some controversial tattoos were associated with this feature, some users were vehemently against the implementation of this change.
