On November 29, 2018, ROBLOX announced that they are partnering with Spin Master which will have various toys and scripted interactivity come out in 2019. The app will be called Spin Master Stories.[51] On December 11, 2018, ROBLOX announced that it would be partnering with LEGO to put the LEGO minifigures in the game. The toys will be available as virtual items for purchase.[52]

At the end of a game, players can view and edit their stats by using the "My Stats" link. This section of Roblox allows players to view data such as number of games played, experience points, badges earned and a few others. Players can only see this section if they have played at least one game online that day.

In my opinion, the best and most legitimate way to get free roblox robux is to make your own. This can be time-consuming, but you can do everything yourself and make sure that you are not running into any problems. It will take a lot of time to figure out the design and layout of the webpage, but once it is completed you should easily be able to get a lot of traffic from search engines like Google. Once this is done then it is time to begin writing original articles. Try not to re-hash information from other blogs or websites as this will just make you look like a copycat.

The community is somewhat mature. As far as social media goes, I do not personally think that roblox holds much of a candle in terms of maturity when compared to the likes of Twitter or Facebook - but it certainly does not have the childish undertone that you would find on other sites such as Instagram or snapchat either. It has a decent kid-friendly community that is mostly neutral.

Here is where things get a little confusing but stick with me for a second and I'll link things together for you. When you get Robux gems and tokens from winning games, there is no value in the items you receive. There is no way to spend those items on anything in this game because they don't have any value. You can't sell them, you can't trade them for anything, they don't have in game money attached to them, etcetera.
