Two employees who worked on the HR department for Roblox, Abigail Sexton and Aaron Dixon, were eventually fired for allegedly not doing their jobs properly. They both accused David Baszucki of firing them for speaking out about the issues with the company's HR department.

There are also individuals who try to steal the identity of other users by scamming them through fake free robux videos. These individuals may use other sources in order to get hold of the scripts of these software and modify it in such a way that they get a slice of the profit once it is used by other people.

In 2011, ROBLOX explored new territory by releasing a single player/non-multiplayer title called 'Toy Defense'. Other notable games released around this time were "Dragon Knights", "Ancient Amulet", and the new version of "Capture the Flag" titled 'Capture the Flag 2'. On February 24, 2012 ROBLOX released another downloadable game titled "Rage Parking Simulator 2012". The success of Rage Parking Simulator 2012 (Rage for short) led to the creation of more downloadable games including, but not limited to: "Hoverboard Racing", "Build to Survive", and "Mech Warfare". On March 15, 2015 ROBLOX ported Rage to mobile devices on Google Play.

The next time you log into your Roblox account, it is recommended that you take a moment and really think about what information and/or games can be accessed by the hacker. If this is not enough, start using anti-virus software to look over your computer for any unauthorized programs installed on the system. Never share personal information with any website that requires it, especially when it contains your email address.
