You can unlock new gear for your character by completing different adventures or collecting coins from different obstacles in-game. The more you explore and play, the more prizes you get!

I love Roblox, but sometimes it's hard to keep the game up and you seem to be forced to buy certain games. I think there should be a better way of getting new people in the game and not having so many bad games out there. Everyone is trying to make money off of Roblox, which is good, but I just wish that they could make more updates for the games and keep them working properly.

On May 24th 2019, ROBLOX announced another update for their Studio 2.1 version. This update, known as "Studio 2.1.1", was released to the public on May 31st 2019.[98] Like many other platforms, ROBLOX also has an adult chat system. This is usually used by roleplayers and other users who wish to talk about mature topics freely. However, players have abused this feature by advertising Roblox pornography websites or trolling innocent users.[99] Some users have also used the system to claim that their username is "Not suitable for children" or use inappropriate usernames in order to get attention from others.[100] It is unknown whether ROBLOX will ever remove this feature from their platform.

Another good method to get free robux for roblox is by completing the missions and tasks that are assigned by the game engine. What I do is just complete all of the tasks that are assigned and as a result, you will get a lot of free robux so you can buy cool items or invest in some cool weapons.

On April 22nd 2015, Roblox released a beta version of the game which was named "Destination: Survival". This beta has been removed and a few of its features were added to the game "Video Player for ROBLOX" which was released on November 6th 2015.[57]
